thedavidmovieofficial WRITER

After studying Drama and spending time as a copywriter, Brent joined Sunrise Animation to create Africa's first animated feature, *The Lion King*. Since then, he has been the driving force behind the growth of Sunrise Animation Studio.

His brilliant mind and inspiring passion for storytelling towards being the fun, vibrant, and heartwarming of today.

David's life was defined by his love for his family while his fallible, relatable humanity bridged cultures and generations. All the love and inspiration behind Brent's work.

If you want to be part of this story, go to angel.com/david and join the team.

thedavidmovieofficial Our faith is not in the stones we have, but in He who freely gave them. His strength and will is in the small stones, no doubt. We are not David vs Goliaths, but you have to make it.
