The Cave of Adullam

When we think about David, bravery comes to mind. He had to flee King Saul and venture into the desert. This is where he took sanctuary in the Cave of Adullam. Our team visited the cave and was awe struck by its size and beauty.

If you, too, have big challenges and are looking to follow your heart, leave your comment here and tell us how you have faced the "Goliaths" in your life?

Here's Brent Dawes, one of the Directors on David. It seems he had a lot of fun while working on character development, don't you think?

There is a great responsibility in doing justice to David's story, and this is balanced by the satisfaction of the creative process and the people involved in it!
