GAUGING INTEREST in an investment opportunity. We are creating a feature-length film called "David" and the plan is to partner with Angel Studios for distribution, the same studio that brought you "The Chosen."

We are not accepting funds at this time but are gauging interest to see who would be interested in investing in the film "David" if we launched a crowdfunding investment.

CREATOR OF "DAVID" - PHIL CUNNINGHAM

Phil's passion for story-telling was ignited as a young boy growing up in the wild frontier of Zimbabwe, where day-to-day life was often interspersed with larger-than-life characters and fantastic stories.

Phil is an entrepreneur, a visionary, a story-teller, and--most of all--a man of faith.

Over the last two decades he has built Sunrise Animation Studios in Cape Town, South Africa. Sunrise has worked with some of the world's leading brands, while also creating hits such as Netflix's "Jungle Beat," which was featured in the Top 10 movies across all genres for three weeks.

The story of David has been the driving passion behind Phil's journey into film. Phil has been drawn to the incredible glimpses of God's nature that are woven into David's extraordinary story.

If you, too, know the power of faith against insurmountable odds, go to angel.com/David to learn more about this special project."

"Everyone knows the story of David versus Goliath. He was this warrior, poet, king and, I was inspired by this character. I thought if we could make an animated feature film around the life of David then it would inspire people to take on the giants... and to live bigger, braver and bolder lives." - Phil Cunningham
