WRITER - Kyle Portbury

Kyle first fell in love with cinema at the age of 15 when he found Die Hard on VHS tape in a video store bargain bin. It wore out and was quickly replaced with Rambo First Blood Part 1... after that Sunday afternoons were never the same again.

For the past 16 years, that love has taken Kyle all over the world. As a writer, his work has been recognized with multiple awards including an Emmy. This led to a collaboration with Aaron Adams (The Pipeline TD on David) who introduced Kyle to directors, Phil and Brent. Now finally, The David Movie had the token Australian every film needs 😊

Kyle hopes that David's story inspires kids and adults to live big, take risks and leave no stone unturned.
